

Podcast: When 5G meets video, ZIMZIM begins

The screenshot shows a website page for 'Telecom Reseller'. The header includes the 'TR TELECOM RESELLER' logo and the tagline 'Reporting on how the world communicates.' Below the header is a navigation menu with categories: About, Podcasts, EDUcasts, Blog, 5G, AI, Cloud, UCC, and MSP. A breadcrumb trail reads: Home » Mobility » 5G » Podcast: When 5G meets video, ZIMZIM begins. The main content area features the article title 'Podcast: When 5G meets video, ZIMZIM begins', the date 'October 14, 2019', and a list of tags: 5G, Channel Daily News, Conferencing, Douglas Green, Podcasts, Press Releases, SR 10-20, podcast, Video. The article text discusses ZIMZIM as a next-level video conferencing service, mentioning CEO Ahmad Moradi and various applications like entertainment, education, and healthcare. A link to 'www.netstairs.com' is provided. At the bottom, there is a podcast player interface with a play button, a progress bar at 0:00, and controls for 15-second rewind, 1x speed, and 15-second fast forward. Below the player are buttons for 'Shownotes', 'Download', 'Subscribe', and 'Share'.
